

Appendix B. Partnership Agreement between the Lead Applicant and Statutory Partner

(back to the Table of Contents)

To be eligible for funding, the Lead Applicant must include in the application a copy of a written and signed Partnership Agreement with the Statutory Partner that is legally binding. At a minimum, the Partnership Agreement must specify the following:

- Who will be the Lead Applicant and the Statutory Partner.
- The Lead Applicant is responsible for the overall management, performance, oversight, and reporting responsibilities under the grant, and for making subawards to Collaborating Entities.
- The Lead Applicant will be responsible for the receipt of federal funds from EPA and the proper expenditure of these funds and will bear liability for unallowable costs.
- The roles and responsibilities of the Lead and Statutory Partner for project activities and how disputes between them will be handled and resolved. Please note that EPA is not a party to the Partnership Agreement, and any disputes between the parties must be resolved under the law applicable to the Partnership Agreement.
- The Lead Applicant is responsible for compliance and legal issues, and managing risks associated with the project. It must also describe the procedures for replacing a Statutory Partner with another Statutory Partner, and for ensuring the replacement has the comparable expertise, experience, knowledge, and qualifications of the replaced Statutory Partner to ensure successful grant completion within 3 years. Replacement may be necessary for various reasons including performance issues. Note that replacement requires prior approval by an authorized EPA official pursuant to 2 CFR 200.308(c)6).
- The Lead Applicant and Statutory Partner's agreement, if the proposed application is selected for award, to enter a subaward that complies with the subaward requirements in the grant regulations at 2 CFR 200.331 and in EPA's Subaward Policy and related guidance and that contains terms and conditions including those above.
